|---|---|
| 1 | On March 3, 2021, Mr. Jordan reported that he relapsed and has been using methadone and heroin. He had been attending treatment on an outpatient basis after completing detox on November 28, 2020. He reported to Integrity House on March 4, 2021 and provided a urine sample that tested positive for opiates. He was scheduled to enter a short-term residential program at Discovery Institute on March 15, 2021 but was told that he could not be accepted into treatment due to the high dose of unprescribed methadone he was using. As such, he continued attending outpatient treatment at Integrity House and began detoxing from the methadone on an outpatient basis through a methadone clinic, the Lennard Clinic, located in Newark. He began attending the methadone program at the Lennard Clinic on March 17, 2021. He was stabilized through the clinic and began attending short-term residential treatment at Integrity House on March 29, 2021 where he is scheduled to be at least 28 days. |
